

2015 Math Adoption Guide

Contracts with these publishers have been extended through December, 2015.

Some materials may no longer be available.

Please contact the publisher's representative before placing an order.

Highly Recommended K-5

Pearson Education, Inc., publishing as Scott Foresman	Scott Foresman-Addison Wesley enVisionMATH Student Edition, Consumable	R. I. Charles, et al	2009	K	9780328272792	92% NCTM = 100%
Key Features: Daily lesson provides a Visual Learning Bridge in the student edition that teaches math concepts step-by-step with purposeful, sequential illustrations while connecting problem-based Interactive Learning with skill and problem solving practice. Lesson-level Benchmark and Strategic Intervention, combined with Topic-Level Intensive Intervention provides data-driven differentiated instruction. Program components are available in print and digital and in English and Spanish, making math accessible to all children. Unique Topic organization of Teacher's Editions and Resource Master Pouches provides the flexibility necessary to personalize instructional sequence.
